

The New School

Butterstone

The New School Butterstone is an independent learning community providing opportunities for young people aged 11 – 19 with a range of different needs such as Aspergers/Autistic Spectrum Conditions, Tourettes and Special Educational Needs.

We need people to join our team at TNS who will bring enthusiasm, energy and a commitment to enabling our young people to maximise their potential. A sense of humour, resilience and flexibility are essential. We will offer support and supervision alongside continuing professional development to the successful candidates but more importantly we guarantee a positive working environment where individuals can make a difference.

Residential Care Worker

(Permanent & Relief Contracts Available)

**£21,528 (39 hours/week with 6 weeks holiday per annum). Enhanced rate for Waking Night
Term time contracts also available with pro rata salary**

The school has various vacancies for evening and weekend work. Candidates should preferably have the required qualifications for residential childcare (minimum HNC Health & Social Care (or equivalent)). Previous experience in a child-centred environment preferable. People without qualifications will be supported to become qualified.

Interested parties should contact the School Office by emailing info@thenewschool.co.uk for an application pack. Please note which position you wish to apply for.
